April 13th 1912

Dear Ryan Bishop

I'm on my way to Washington as you may have heard but you may not have heard that I'm meeting the president to have a private meeting. All of the other governments are going to discuss about the world now and in the future, so we and everyone else will have a better future, but the prime minister oddly called me into the office. P.S. Sorry for your loss and hope you get to go next time

SEA ODYSSEY
