## **The Giant Fallen from the sky**

Creation 1993

Once upon a time, there was a Giant who lived in the clouds.

One day, he fell from the sky onto a boulevard. When he awoke, the Humans had tied him up. The following day they walked him around in a large cage to entertain the city.

But every night, the Giant dreamed and his dreams frightened the Humans. So they built a big wall of light to prevent him from sleeping. That night, the Giant dreamed so hard that he broke out of his cage and disappeared into the light...
